

BLUE WATER GRILL
MONTHLY MANAGER PLANNING SCHEDULE
AUGUST

_____ Schedule waiters meeting 3rd Wed. of month at 3 PM. Have all sign off.

_____ Schedule busboy and runners meeting 3rd Thurs. of month at 3:30 pm.

_____ Have all sign off.

_____ Note: Be sure when having your meetings they are in an area clear of guests.

_____ Give quarterly food tests to all workers if none given in last 2 weeks.

_____ Follow through with high T.V., and CRM guests with your staff and chefs.

_____ Advise hosts to call regular lunch (and possibly dinner) guests to see if they're coming in that day. We want to make sure we have a special table ready for them, or their regular or desired table/section.

_____ Note: Use the MEMO FIELD in Open Table to indicate these guests preferences re: sitting, eating, drinking, etc.

_____ **Manager and Chef Notes:**

_____ **VIP Note:** Waiters going back to school in August. **Don't get caught short like BWG, Ocean, and Isabella's did in '97.** 50% of their crew left and they didn't plan. You must get trailers in by August 10th. Between the 10th and 20th you'll lose 20%-40% of your staff. NO BS!! **DO NOT PLACE ADS OVER LABOR DAY WEEKEND -- EVERYONE IS AWAY. THE WEEKEND AFTER LABOR DAY RUN AD FOR WAITERS, HOSTESSES AND MANAGERS.**

_____ NYU students start moving into the dorms in the area (including the building Blue Water Grill is in) the week before Labor Day.

_____ **Chefs:** Cfm you have a complete set of oyster tags for display.

_____ Cfm all oysters for month are in index.

_____ Be sure to advise Andrew of any changes in the Jazz Room schedule eg. closed Monday, Labor Day so she can adjust booking schedule accordingly.

_____ **"Gift Show" at Javitz Center.** (Call 216-2000) **Be prepared to be busier.**

_____ Also, in hot temperatures, turn on all HVAC units as early as 9AM by pressing 3 hour override. This will give the system a chance to cool down the restaurant before the heat sets in. Starting the units any later in the morning puts too much stress on the system.

_____ Have Arista come in & refill coolant tanks for all.

_____ Need to polish all brass more frequently
