Jeffrey....

As a result of today's victory more and more people/groups will be willing to work with the TNC because rebel forces now have entered Tripoli, captured two Qaddafi's sons and he is on the run without a command structure... The downside for us is that we are losing our head start and the advantage of being identified as a early supporter which is a major plus. As such let's not lose more time and more of our advantage, especially now that everyone in the world realizes that Qaddafi's days are numbered and the TNC WILL WIN...

They still need humanitarian aid so any ideas that you have are welcomed...

Let's speak tomorrow...

Sincerely,  
Greg Brown
