Subject: Refurbishment Budgetary Guideline
Attachments: image001.jpg; JE Letter.pdf

Dear =effrey,

The =ttached letter identifies budgetary costs to refurbish a =#8220;general" GIVsp.

As =iscussed with Larry last week, floor plan modifications on a GIVsp are = lot less expensive than a GV due to less stringent engineering and =ertification (The GIVsp falls under 9g certification whereas the GV is =nder the 16g regulations).

Let =e know what else I can do for you?

Sincerely,

Eric =oth
