=ubject: LSJ =rrigation

Good =fternoon,

The purpose of =his email is to request approval for an order of needed irrigation =aterial for upcoming LSJ projects.

=nbsp;Originally Scott and I had a meeting concerning upcoming projects =nd weather or not we had enough inventory on hand to complete =hem.

We were planning at first, to make an order for =op's Garden and also an order to replenish our diminished stock, =specially since I knew we had some big things coming =p, even though at that time there were no defined =lans.

Since then a few large projects =ave come into focus, namely; The Eastern Beach grass project, The North =eastern

A list was made during our =eeting and two invoices were generated based on that , however I think =he structure of the invoices was a bit confusing, =ince it was not itemized per project.

=here are two invoices, the first was labeled "Pop's Garden" and the =econd was labeled "Irrigation Inventory" however the total sum of both =nvoices constitutes the Entire needed material for the =urrent large LSJ landscaping Projects =.e.;

- Pop's Garden: Fruit Trees and =egetable Gardens
- =nbsp; - Drip emitters for the Fruit =rees
- =lectric Valves and Timers
- =nbsp; - Pipe and connection =oses
- Pop =p Mist Sprayers

- North Eastern Sod =rass:

- Pipe and connection hoses  
- couplings and fittings  
- Sprayer sprinkler heads  
- Rotary pop up sprayers  
- Valves and Timers

- Eastern each:  
- Pipe and connection hoses  
- emitters  
- Rotary pop up prayers  
- Valves and timers

- South Western pool:  
- Pipe and connection Hoses  
- Emitters  
- Sprayers  
- Valves and timers

I would like to have these invoices, approved so we can have what we need to complete these projects, I Have attached the invoices for your review.
