Attached is Tropical's quote which is yet to be approved by Operation Department

As I mentioned in earlier e mails in the past when we shipped boats before Tropical was usually twice the cost of Sea Star.

And I hoping to get Crowley's quote today.

As for the time line Crowley and Tropical is unknown its based on available space with boats and vehicles setting the least priority so it could sail right away or it could take while.

I have contacted Sea Star about their timeline and will continue to do so until I get that information

Thank you
