Jeffrey Epstein

Just ran into Jonathan Barrett outside my apt. He lives in the 2 apts adjacent to mine. He said his wife is pregnant with their 3rd child and he asked if I would be willing to move to a different apt so they could take over my apt as well and combine all 3 apts. He said they would pay for all renovation of a new apt and moving costs if there was a different apt I would be willing to move to. Good lord!
