Michael Kranz finally returned our many ca=ls. 1. The Bank does not care about the stock and will delete =aragraph 2 of the settlement agreement but want to add that you will not o=pose the short sale and will cooperate in signing necessary documents.

2. They do not care about preserving=your claim against Hardman and we can incorporate those changes into the s=ttlement agreement.

3. The bank follows the law and only=issues 1099's to the primary debtor but will not put that into an =agreement.

We are going to make the necessary changes=if you agree and get the settlement agreement ready for his final review.&—; If you agree to this, you will need a cashier's check for \$60=000 made payable to PNC Bank National Association.
