My Chinese friend Wu Zheng (worth \$ 1billion) is visiting me in London.
I arranged meeting with David Reuben (worth \$8.5 billion).
The three of us discussed company Luup owned by Reuben: best mobile payment technology, mainly banking without an account.
We will do JV for Luup in China (Wu, Reuben, Me).
This system is perfect for Africa and Chartered Bank wants to have it in Africa.
Something we should do as part of your African initiative?
