Thank you!
I am leaving NY on monday.
I initially booked the ticket so I could be there for the 16th.
I will send him another email to confirm.
But just in case the meeting is during the day do you think you could be in Abidjan early in the morning?
Or around what time were you planning to get there? Do you have an idea?
I'll be there for sure.
Thank you and I'll keep you posted.
