i will take her for brun=h on Saturday (if Monsieur approves), interesting girl that thinks she kno=s everything. I like those types! (i liked her friend [REDACTED] on the pictures=from partickmacmulan - but i guess she is your OLD friend)..

also my friend [REDACTED] seemed nice (fusion mod=ls agency) , but need to work more on her. her horrible chanel look, etc..=

looks like ALL models are wearing Chanel these days (=including even my favoirite [REDACTED] thank you so much you did not ge= it for me 2 years ago!!!

but i m creating a group of slighter smarter than average models. so could be inte=esting!
see you later today!!!
big kiss
