Subject: Flight update

Jeffrey,
Bell 407 flight going well,.
in Provo now, heading to Great Exuma and will overnight there tonight,.
Had a slow start, IFR weather all thru Dominican Republic,. We departed Punta Cana this morning at 8am and had to return to airport due to solid rain. Was able to depart at 11am and made fuel stop in Puerto Plata,.
Weather has been a Challenge this trip, Bell 430 with Radar would be easy since I would file IFR,.
The 407 is not IFR certified, looking fwd to our new helicopter!

Thx,

Larry
