Subject: GIV interior comparison
Attachments: GIV1030.xlsx; GIVEric.pdf; Est_940_from_Extraordnair_2748.pdf

Jeffrey,

See attached side by side of Eric against Van Nuys shop.

It is tough to compare side by side the shop estimates, Eric estimated this project very general in terms of itemization for interior work and did not pin point his cost of material or labor, the Van Nuys shop was more open to share estimates of labor and material for each area to be addressed.

I also included each original quote from Eric and Van Nuys shop.

thx,
Larry
