Per your request, I have enclosed a copy of the 4/15/89 Trust document and the document entitled "Amended Petition For Order Approving Modification of Trust" filed with the Court on July 30, 2008.

These 2 documents pertaining to the 4/15/89 Trust are the only trust documents that I am legally able to send you. Any other trust that I am not a trustee of, I am not legally able to send you a copy of that document or documents.

Christine sent me an email stating that you requested that I send her copies of the trusts. I cannot do so. I am only legally able to send a copy of a trust document to the beneficiary of a trust of which I am trustee of. If you want Christine to have a copy of the 4/15/89 Trust, you have the legal right to send her a copy.

To insure safe delivery of these 2 documents to you, I have asked Set Wusu to hand-deliver the documents to you. He will have you sign and date an **ACKNOWLEDGEMENT OF RECEIPT FORM**, and he will return the form to me.

Thank you very much.
