Hi Adam,

Please find attached=my CV as well as a few clips.

I haven't located that Incubator clip from Seed but I'm going to try to dig it up. </=iv>

I'd be happy to send along an editing portfolio as well, if that would help give Jeffrey a sense of the breadth of my editing experience -- online and in print.

In terms of scheduling a meeting for this Friday, the best times for me would be early (9 am) or lunchtime (12:30 - 2-ish).

Looking forward to connecting then.

Best,

Lindsay
