Dear =effrey,

Please find below some information on the =ern Dynamic together with a list of our advisory group. As I =entioned during our brief discussion in New York, I intend to expand =his group to include some people who also have expertise in China and =E Asia.

The point I would like to emphasise is =hat we primarily there to offer not just good advice, but 'actionable' =ntelligence.

Let me know if you require any =urther information. Needless to say I would be ready to fly to NY =nytime to meet with Mr Leon Black.

As =ver,

Mark
