Can't wait to see you on Monday!!!!

Spoke to ████ - to ask about the dr evil and to remind her of Monday. He gave her a prescription - I told her I would help her to buy the medicine when we meet on Monday. I also told her that I had been very lucky to meet certain people in my life who had helped me a lot and changed my life and that when i meet some nice people like her - I love to help them and that I am eager to introduce her to some nice people as well.

So excited to see you and to bring ████
