Invoice for Additional coats applied to floor and doors

| <u>Description of Work</u> | <u>Amount</u> |
|----------------------------|---------------|
|----------------------------|---------------|

Due to coverage and the concrete floor being very rough and porous, an additional 3 coats of product was applied to the floor to ensure protection and for even coverage, for a total of 5 coats being applied

The above work was performed and billed out at a rate of \$22.00 per hour per man

| | |
|---|-------------------|
| <i>Amount due for additional coats on floor</i> | <i>\$1,408.00</i> |
|---|-------------------|

Due to coverage on the metal sliding doors (exterior) and the walls around the doors, an additional 2 coats of "dtm acrylic" was applied for a total of 4 coats

The above work was performed and billed out at a rate of \$22.00 per hour per man

| | |
|---|-----------------|
| <i>Amount due for additional coats on doors and surrounding walls</i> | <i>\$704.00</i> |
|---|-----------------|

| | |
|---|-------------------|
| <i>Total amount due for extra applications on exterior doors, walls and floor</i> | <i>\$2,112.00</i> |
|---|-------------------|
