Dear Friends and Neighbors:

On our continued path toward a greater level of customer service and satisfaction, I am proud to announce the release of the new City of Miami Beach eGov smartphone app, available for Apple and Android devices. This free tool empowers Miami Beach residents and provides yet another way to easily connect with local elected officials which will in turn make us more accountable.

Residents can use the City of Miami Beach eGov app to:

- * Report a Concern: Snap a photo of unsightly graffiti, a broken sidewalk, illegal dumping, or another neighborhood concern. The app creates a smart report that automatically integrates with the City's customer support center.
- * Tell the Mayor: Record a voice message and let us know how we are doing. We'll get a notification and respond accordingly.
- * Track the Trolleys in Real Time: See exactly where the Alton Road/West Avenue Trolleys are at any given moment. And when the trolley service expands to North Beach later this year, it will also have real-time tracking.
- * Citywide Calendar: Stay up-to-date with all city-sponsored events-including food truck and music festivals, City Commission meetings, and resident advisory board meetings.

The app will be updated with more features as they become available. To download this free app now, search for "City of Miami Beach" in the iTunes App Store or on Google Play, or follow the links below.

- * Google Play: <https://play.google.com/store/apps/details?id=gov.miamibeachfl.mbegov>
