**Subject:** Hanger

Jeffrey,

I was thinking about the hanger, what are your thoughts about some type of personal protection device I can keep in a safe at hanger in lock down? During the night, I would keep on a night stand. The hanger will be my place to "stay" when I'm in st thomas and area around the airport is sketchy. I was thinking of a hand held Taser mechanism or something along that line.

What do you think?

Thx

Larry
