Valdson took the car to the repair shop and received a new corrected quote for repair \$13,313.12 Euros. It is an increase of 4,174.42 Euros (=3468.30 Euros plus tax) for an increased cost of a custom made part, as this is a special Mercedes model (custom made car was made before you purchased it). Please advice if Valdson should go ahead with the repair.

Thank you.  
Bella
