in the first three pictures the background blue looks real. i wanted in the end to put some transparent light color on top of blue=and letters to be in the same family with the entire room. are you=thinking to a different blue?
=0A=.....
the forth and fifth picture i made =he letters smaller. ("a"- four rows, "b" - five rows)
....=.....

the last picture: maybe you can print it and draw the letters and then send it back to me so i can see how would you like the letters..
