He keeps saying ██and there must be an issue with him and might be dangerous"... At the same time suggested a "f... marriage" to pay some student - I said I didn't want to take such a high risk.

And that after his ████████████████████████████.. Only when he is ready. I answered that he is a wonderful mature man and that the marriage brings stability. At least the accent has switched from "████ not standing on her feet" to ████ not ready"...

I said if I had a ██████ would be able to finally get a real job at the IPI which is a first step of "getting on my feet".
