=0A=ts been 2 weeks i am here in nyc and like i said in my previous email i am=really focus and go to all the castings...
=ow on the other hand today i didnt have any casting to go to and tomorrow =ame plus yesterday i went to 2
casting that was so so...so my point is =ou are the best in the business and i know you can really make things h=ppen if
u want to and i think i can keep up with the level so i would sugg=st that u send me to more casting with a higher level
so my capacity and p=tential as well as yours are really used with efficiency..i would also lik= to meet all the big clients..
=o obviously you will tell me to be patient but lets face it we can do bett=r than that together as a team no?
=hat do you think?
