I followed all the instructions saying "I don't want to talk about it"...

Josh said "Then I don't want to talk to you at all"... That he wanted "the facts". I answered that the only fact is that "I am going to handle my visa situation and that I am not going to discuss it with him anymore".

He got really mad, said that he hoped that he could discuss things with his girlfriend (or someone he thought was his girlfriend), asking what I was going to do etc...
