..i made some design using JE. in the first p=cture there are four tiles but inside of each tile is JE the image in the
=mirror..left right up down.., then if we put together we get the design (=he second picture). we could do the writing with
gold leaf or another colo= and then inside the letters we can fill with other color something.. like=i did in the right corner
up(the second picture)
=0A=nbsp; i checked for turkish tiles but they are very complicated and it w=uld take forever to do even one tile..
another idea (you menti=ned once about leather..) ..maybe some leather like you have in the dinnin= room in new
york, with gold leaf on top.., then put some color and wi=te it off and you get only the design with gold leaf...i did some
samples o=ce in the dinning room...
=0A=hat do you think?
