= hey xuxu. I need advance because ,I don't know what to do ,do u remembe= I told you about my boyfriend = and he is changing all his business life for me because i don't want my=0A= boyfriend to work at night , = So anyway he has a lot of network and he is very smart, everyday he = has very important people asking him for real estate, commodities or = where to invest etc but i think he need a structure to work first = because from night life to day life i think its different,,i told him=0A= that and now he want to invest in a company to have the possibility to=0A= work with them and use his network and develop the company but i think=0A= its wrong and too early he might loose the money and i told him that = but he think its the only solution to be able to work in september and=0A= because he was very successful in night life he think he will the = same but too much confident sometime not good ,,,Me i think he should=0A= learn how to use his network , work with somebody for a little bit and=0A= then start invest ,,,so what do u = think i should do?
