Dear Mr. Epstein,

To tell you the truth I still do not have a book. I just started the =emolition of my future projects... I started my company in =ovember 2013 here in Brazil.

I already signed up for two projects of hotels in Rio. One is a =E2 light refitting" and the other project it is the =reation of a hotel. I also sign up for the creation of 6 apartments =ompletely decorate in a historic building (for a total area of =E2 2000m <sup>2</sup>). And now I am finalizing a contract for =n apartment in Sao Paulo.

My style is based on a mixture of French influences and a Brazilian =ropical spirit. My style is a contemporary classic in the spirit of =lberto. But I also realize classic decoration, beach =ouses...

Please find enclosed one photo of the future hotel and some photos of =he apartments before the restoration.

Best regards

Jean
