in the fir three pictures the ba=kground blue looks real. i wanted in the end to put some transparent light=color on top of blue and letters to be in the same family with the entire =oom. are you thinking to a different blue?

.....=.....

the forth and fifth picture i made the letters smaller.= ("a" - four rows, "b" - five rows)=.....

the last picture: maybe you can print it and draw the letters=and then send it back to me so i can see how would you like the letters..<=r>
