Based on the best-selling novel by Chantal Thomas, Farewell, My Queen stars Léa Seydoux as Sidonie=Laborde, one of Marie Antoinette's seemingly innocent ladies-in-wait=ng, who quietly works her way into her mistress's inner circle. Farewell= My Queen is a period film both painstakingly accurate in its sumptuous vi=ual detail yet surprisingly modern in its portrayal of the human condition= Diane Kruger's gives her best performance to date as the ill-fated Queen while Virginie Ledoyen is captivating as th= Queen's 'special friend', Gabrielle de Polignac.

Runtime is 99 minutes

The film opens theatrically on Ju=y 13th 2012
