I'm back from my vacation. It felt good to get away. I love walking around P=ris, and I hope to go back for Erik's art opening in September at the Almin= Rech Gallery. I just wanted to thank you again for being such a good frien= and trying to solve my problem with ████. Sometimes old friendships echo s=bling relationships and past resentments tend to surface in unexpected ways= We did have another argument during the trip and we ended up taking separa=e rooms, but it all worked out in the end.
Love,

████
