in the first three pictures the background blue looks real. I wanted in the end to put some transparent light color on top of blue and letters to be in the same family with the entire room. Are you thinking to a different blue?

the forth and fifth picture I made the letters smaller. ("a" - four rows, "b" - five rows)

the last picture: maybe you can print it and draw the letters and then send it back to me so I can see how would you like the letters..
