TERMS AND CONDITIONS:

This estimate is based on our inspection and belief. It does not include additional materials, parts, or labor which may be required after the work has been opened up. Often defects are discovered which were not evident on initial examination. Parts and materials based on standard catalog procurement price list, subject to change without notice. Procurement and delivery charges will be added for special services on items not available locally. Haulout fees and lay days to be contracted through Puerto del Rey Marina. Performance of warranty work requires payment of haulout fees and lay days by vessel owner.

All work performed is payable as follows:

50% with acceptance of contract
25% upon request while work is in process
25% upon completion

All work performed is payable upon completion and before relaunching the vessel. Due to an uncontrollable environment a 5% imperfection of the total amount of work performed on paint jobs shall be allowed. Estimated deadline for completion of work may vary due to weather and/or availability of parts and materials.
