Dear Karyna,

I have received a copy of your admission letter and spoken with Sandy Garcia to confirm you have been accepted to the DDS program at CU for the fall of 2012. Your program is for 3 years, versus 4 years, based on the fact that you have received some transfer credits from your previous study in the U.S.

I waited for your friend to arrive yesterday, but did not hear from him/her. I will be out of the office today after 3:50. If your friend wants to drop off all the information you can provide regarding your request for reinstatement will begin to review what is presented to me. I will need to talk with you over the phone or in person. I will also need to speak with the staff at international office at your previous school.

Could you please tell me where you most recently studied in the U.S.?

Please call me at [REDACTED] before 11:00 am if possible. Please also email your phone number to me so that I can contact you if I miss your call. Thank you.

Sincerely,

Bonnie
