Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically (for example, Sign & Travel and Extended Payment Option) if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

New York residents may contact the NY Banking Dept. for a comparative listing of credit card rates, fees and grace periods at 1-800-518-8866.

This Privacy Notice is addressed to United States holders of personal American Express Charge Cards or accounts, Optima Cards or accounts, other personal credit card accounts that we issue, and to United States holders of business charge and credit cards from OPEN from American Express. This Notice explains how we collect, use and safeguard information about you and how to limit the use and disclosure of your information.

In this Notice, "American Express," "we," "our," and "us" refer to American Express Travel Related Services Company, Inc., American Express Centurion Bank and American Express Bank, FSB. These entities are "Affiliates" of each other, which are companies in the American Express family that are related to each other by common ownership or control. Our Affiliates also include publishers, travelers cheque issuers, travel agents and providers of Card-related insurance services. The cards and accounts that we issue are called "Cards" or "Card accounts." Holders of those Card accounts are called "Cardmembers" or "you(r)."

What Information Do We Collect?

We obtain information about you from a variety of sources. You provide us with information about yourself, for example, by completing Card applications. This includes your name, address, social security number, and income and asset information. Your use of the Card and your other transactions with us and our Affiliates provide us with additional information, such as your spending and payment history. Other sources, such as credit reporting agencies and providers of marketing information, furnish us with additional information about your credit history, purchasing preferences, and other matters. We also obtain information about you in connection with our efforts to protect against fraud. We call all of this information "Cardmember Information."

What Do We Do with Cardmember Information?

We use Cardmember Information in connection with delivering products and services to you. To do this it is often necessary to share it with our Affiliates and other companies we work with. These include companies that manage Card accounts, offer affinity, frequent-user, and reward programs, companies that perform marketing services and other business operations for us, and companies whose products or services are provided as a benefit of your Card account. We may also share Cardmember Information with other financial institutions with whom we jointly offer products and services. And we may disclose it to other third parties as permitted by law. For example, we disclose Cardmember Information in response to subpoenas, to credit reporting agencies, and to help prevent fraud.

Information We Share with Our Affiliates

You can inform us not to share with our Affiliates credit-related information (except as permitted by law), such as your credit history as shown on a consumer report. If you make this choice, we are permitted by law to share with our Affiliates information about our transactions and experiences with you, such as your payment history.

Valuable Partner Offers

We work with carefully selected business partners, such as merchants that accept the Card, so that you may receive offers for their products and services. We use Cardmember Information to help make these offers more

relevant and valuable to you. If you respond to one of these offers, the business partner will know certain information about you, such as your name, that you are a Cardmember, and that you met the qualifications established for the offer. You can inform us not to send you these offers.

Your Choices

Please let us know if you do not want us to use your Cardmember Information to communicate with you about offers, including exclusive partner offers and offers from our Affiliates, by mail, telephone and/or e-mail, or share your credit-related information with our Affiliates, by visiting us at: www.americanexpress.com/communications. You can also inform us of your choices (except for e-mail communications) by calling us at **1-800-297-8378**. If you make these choices, you may not learn about products, services and features, including discounts and other special offers, we believe may be of interest to you and add value to your Card membership.

If you have other Card accounts with us, you will receive additional privacy notices that apply to those accounts.

Please note that any choices you make will only apply to this account.

If you are the primary Cardmember on your Card account, any choices you make in accordance with this Notice will also apply to any other Cardmember on this account (except for e-mail communications). If you make choices not to receive offers as indicated above, we may still include notices and information about the Card and other products and services when communicating with you about your Card account and related products and services.

Information Security

We use reasonable administrative, technical and physical security measures to protect your Cardmember Information.

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at PO Box 981535, El Paso TX 79998-1535. In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at PO Box 981535, El Paso TX 79998-1535. While we investigate, the same rules apply to the disputed amount as discussed above.

After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
