Subject: MOU=and BPLAN

Ciao [REDACTED],

last nigh= I put together the MOU points discussed and this morning the lawyer could I=ok at them. Unfortunately she (the lawyer) is on vacation until next week, h=wever she made a few modifications and sent me a version that should work f=r MOU level (not yet the contract but OK for MOU)

Can you please let me know your comments? It should be=100% aligned with what we have discussed but if there is anything that you t=ink we should change to make MR.E happier please let me know. Then when all=is perfect for you we should present it together to Mr.E if you agree to it=/div>

As you can see the requirement that we should approve f=r year 1 Paris is ~22% of the entire committment (668K Eur)
