attached is bid for =15" Grey Motorized Firehawk Projection Screen in the amount of =2,196 (equipment 6832 labor 4370 and sales tax =94)

it was difficult =o price check online however i found 1 link below (HT Market) - i also =ave asked if 115" is custom size (currently our screen is =13")

i =uestioned labor which was 38 hours (they said 2-3 men for 2 days at 115 =er hour) - labor would be adjusted down if they do not spend all the =ime

i have not yet =egotiated bid and believe i can reduce to at least =1,000

estimated time =o receive from CA is 2-3 weeks

note this is same company that is currently installing lutron =which should be 90% done by 9/25)

please advise

thank you

Richard/Merwin,

Attached is the proposal to replace the projection screen on the 6th floor. Please don't hesitate to contact either Al or myself if you have any questions at all. Thank you.

Robert Finelli
