I am flying to Abu Dhabi tomorrow.

We are discussing \$29m investment into Asia Gateway for 20%. No comment from them yet on the % they want, I expect they want more.

My issue:

I still have \$6m. We are ahead of plan. We will probably reach revenue stage in July 2013. To be able to reach revenue and grow quickly in 2013 I need additional \$5m, but not \$29m.

Maybe I can do big pre-IPO round next year once I proof revenue model?

I can not really tell AD I only need \$5m....=?xml version=.0" encoding=UTF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
