mentioned you told she could renovate her apt at 301. She is currently staying in 4M which we are switching out next week for apt 3M. 3M has a renovated bathroom and kitchen that Anthony did, so that's all nice and new. The paint job is good, just an off whitish slightly cream color, and the floors are a brown parquet with a gloss finish which look like they've been recently refinished. I would defiantly replace most of the furniture from 4M. Is that something you want to let choose, or should I take care of?
