Upload Documents
You will now upload documents required to issue your Certificate of Eligibility.
Please refer to the list of required documents below. If we need additional documentation we will contact you in a separate email.
IMPORTANT: Click here to review the criteria for Acceptable Proof of Funds. If your proof of funding documents do not meet the before-mentioned criteria, they will be rejected. This will cause a delay in your application.
TO UPLOAD:
1. Click the green Add File button
2. Select the correct file to upload
3. Once file has been uploaded, identify your document by selecting an option in the drop-down menu under "Type of Document" on the right
4. Repeat this process for all required documents. You may upload more than one type of each document, if necessary
5. To finish the process, click Submit Uploads. You will not be able to make changes after you click Submit
Average processing time for your certificate of eligibility is **10 business days**. If you would like to track the progress of your application, please log back into your NIF. Thank you.
