Good morning

As of date we are waiting to hear back from the owners of San Cr=stobal Ranch, regarding the sharing of build out cost at that location.

this would be the=quickest solution.

I expect to have an answer next week with build out cost.

Century link are putting to=ether a service provision outlining cost for 100, 500 and 1 gig service, I=expect to have this next week as well.

I have also sourced a contractor for laying of fiber on ranc=, if that becomes a necessity.

Also working on Sandia Crest solution incase for 1st option does not=pan out, but as we know from past history, there are lot more people invol=ed in that solution.
