Hi,

Are you asking why the new S-Corp. is called "Narrow" Inc. and not "Narrows" Inc.? As you will recall, the name Narrows Inc. was not available because it conflicted with another company called Narrows Limited. Narrow Inc. (no "S") apparently did not conflict and was available.

Hi Ada. Hope you had a good weekend. We have been passing drafts back and forth internally over the last several days. The quantum of material is significant and taking longer to synthesize in a way that is helpful to the

objective. It's 14 pages currently with two separate tax memos. At this point, I think mid day tomorrow for the complete draft is where we are. Thanks and have a good night.
