Dear Partners,  
I am delighted to tell you that we filed out Condominium Offering plan with the New York State Attorney General last week for  
The Park Mansion , 320 East 82nd Street New York, NY

We believe in the next 120 days we will receive approval which will allow us to be able to begin marketing and hopefully selling the units

Wanted to share this Milestone with you,  
Thank you for your trust and friendship  
David Mitchell
