I have mentioned before the issues I am having with this lady I have know fo= many years
It has now gotten to the point where I'm very concerned that I can't get her=out of my life and not that I want to be with
her but that she won't stop =Both [REDACTED] and [REDACTED] are away this weekend and I can't tell you how much I m=ss them
and would never want to be with out them - I'm so distraught- I hav= been concerned for many many months but now
it's starting to really effect=me - I can't have her ruin my life or my children's - I love them so much -=as I have told you
often -my family means everything to me
Your always great at helping me figure things out and you have always been t=ere for me Maybe next time your in nyc
we can discuss But I'll just say - I never want to be with out my family- as a family Sorry for the rambling- but --
