█████ said ████ was also asking her about me and my boyfriend (she ran int= her at a casting in LA).. I still think it's ████████, her friend ████ █████████ might be helping her. I think that's how the reporters got my name o= the first place (I suspected jean luc as well)

Probably the fact that ████ doesn't have Facebook and I don't put his name an=where made everyone think that he comes from a famous family.. Maybe that's=the case?

I deactivated my Facebook for now until we find out more..
