I called to check availability and caught 3 in Black that just showed up 10 minutes before I called, so I took them, so they will be on their way to us in the next day or two. Will be able to deliver late next week and not 45 days!

\$9300.00 Each....OK?

Thanks,

Todd

White 2016's are available now, 7 to 10 days, Black would be about 45 days. \$9350.00 each.

We have in stock at our store:

1) 2015 KVF750 Metallic Stardust White \$8850.00

1) 2016 KVF750 Candy Lime Green \$9850.00

Went =n the locater and only found one 2015 in Black in Florida, in =acksonville, that would cost too much to chase down and bring to us, =he rest were far out of State.

Seems like the best bet would be to go for white =016's, or just order the Black 2016's and hope they =ome in before 45 days.

Let me know your thoughts?

Thanks,

Todd
