These are the notes. They are a 20% discount, 5% interest =onvertible note with no cap. I think we've invested \$250K so =ar. He's looking for a total of \$500K for a bridge. I'm =hink of doing via my company Digital Garage (public Japanese company), =y little fund and with you if you're willing and / interested. = guess it's sub-optimal not to have a cap.
