Subject: use tax comparison
Attachments: ldb use tax - year end projection vs final 2015.pdf

Attached is use tax calculated in Nov 2015 vs final =015 April 2016.

Red colored items are additional items. Note t=at MS account identified. Much of the difference is that the purchases wer= after the cutoff date when projection was prepared. Pipes and canes=came from same vendor and hence all subject to use tax.
