███ has asked me to print your personal photos that I have taken from your c=mputer for her. I will not do this without your direct instruction and perm=ssion.

I cannot ask for your permission without bringing to your attention that I h=ve noticed that some photos taken by you have been used in what my gut tell= me is an inappropriate manner. These photos include ████ on your property= I am sure with absolutely no malicious intent, just not good judgement. =I would prefer(if it suits you) that this email stays between us.

I will wait for your permission to print any photos of her with your friends= taken by you, that I have taken from your computer.
