Dear Eva,

I heard from Steve that we are moving forward regarding DigniCap at Dubin Breast Center, great.

Included is a presentation regarding the Dignitana AB rights issue. We will be asking for 50-60 MSEK (USD 6-7 million). Approximately 40 MSEK will be a private placement and the rest a rights issue to current shareholders.

If you would be interested or know someone that would be interested to invest in a small but quite interesting Swedish medtech company, please let me know.

I will be in New York April 20-21 to meet with potential investors.

Kind regards,
