Elyse wrote the attached as a result of my inquiring on the subject in the middle of last year. At the time I felt there was no way the burden of running a PTC was something we/I could handle. I dug this out because, first, I am hearing of more and more families moving this way but second, because of our 'trustee' issues. Also, as you help us move toward a real family office structure it feels more feasible. Should we be considering this option?
